CALL FOR PAPERS

The First International Conference of IUST on Artificial Intelligence, Machine Learning, and Intelligent Systems (ICAIMLIS2023) invites researchers and practitioners from around the world to contribute original, unpublished, and high-quality research papers in the field. The conference aims to provide a unique platform for knowledge sharing and collaboration in the following areas:

- Artificial Intelligence
- Machine Learning
- Deep Learning
- Evolutionary Computing
- Nature Inspired Optimization
- Swarm Intelligence
- Computer Vision
- Neural Networks
- Fuzzy Logic
- Rough Sets
- Bayesian Methods
- Reinforcement Learning
- Cognitive Learning
- Quantum Computing etc.

PAPER SUBMISSION AND PUBLISHING

Paper submission will be through CMT and Accepted papers will be published in Springer book series titled Algorithms for Intelligent Systems (Web of Science)

IMPORTANT DATES

Last Date of Paper Submission
